The film industry is facing huge losses as many people have the opportunity to download these new films on the Tamil Rockers website itself. Despite the government banning the isaimini moviesda website by court order, the authorities are shocked that the website is coming to life in the new IDs. Jayam Ravi joins as a sub-inspector at the police station where Mime Gopi is a police inspector in an important area of Chennai. Perumal is another sub-inspector in the same police station. Jayam Ravi lives happily in a joint family with his father Ponvannan, mother Sriranjini, brother Subbu Panchu, sister-in-law Meera and their twin children. Rashi Khanna, a close family woman, is in love with him for life. Jayam Ravi, an honest policeman, works with the idea that he should do his job properly and not be afraid of anyone. In this case, Jayam Ravi is being investigated in a rape-murder case. Jayam Ravi resigns from his post to take revenge on the influential fathers of the elite who are pushing Jayam Ravi's family into a cage with the help of the police. In the end, did Jayam Ravi, who refused to give in to the injustices, fulfill his vow? Did Rashi join Kanna ..? The charismatic and handsome young man enjoys a pretty solid fan following thanks to his effective performances, down-to-earth nature, macho screen presence, impressive personality and eagerness to experiment with his on-screen image. Over the years, he has starred in quite a few well-received films, and this has helped him become an inseparable part of Kollywood. At present, he is in the limelight because of his latest release Adanga Maru. The film hit the screens today (December 21, 2018) amidst a decent amount of fanfare. In a shocking and shameful development, the full movie has been leaked online by Tamilrockers and is available for free download. The leaked version is, reportedly, of ordinary quality. This is an unacceptable thing and it is bound to ruffle a few feathers. Adanga Maru is a medium-budget film and it has been made for the mass audience. Jayam Ravi is going through a good phase on the work front and tasted success this year with Tik Tik Tik. If Adanga Maru works, it might help him consolidate his standing in the industry even further. As the full film has been leaked online on Day 1 itself, the box office collections are likely to take a beating. Piracy is a major issue and it has been plaguing the Tamil film industry for quite a while now. Sarkar, Seema Raja, 2.0 and U turn are just a few of the popular films that were leaked within hours of hitting the screens. Tamilrockers has also leaked non-Tamil films like Odiyan, Kavacham and Savyasachi to name a few. Over the past few years, those in authority have taken several steps to combat and eradicate piracy. At a superficial level, these steps have yielded some results. However, the issue has not been resolved yet. Piracy is a grave crime and indulging in it is a heartless act. It must not be tolerated at any circumstances whatsoever Adanga Maru Review: This Jayam Ravi Starrer Is A Well-made Movie! Read more about: adanga maru
